20 Nob Hill Drive, Jacksonville, IL 62650

SERVICE Above Self

December 2005, Volume #15, Issue #6

Keith Lape, District Governor, District 6460

December is Family Month

It is often said that children are the future of the world. Healthy and happy children are key to achieving Rotary's goal of building international understanding and peace in the world. There is no better place to nourish a young mind than in a family whose basic needs have been met and who can spend time together.

Celebrate Rotary's commitment to family in December. Consider bringing together the mothers, fathers, children, grandparents, aunts, uncles, cousins, and members of your Rotary family into shared activities. Participate in a community service project that will help strengthen families in your community by:

- Sponsoring a seminar for new parents on child development
- Organizing a father/daughter or mother/son dinner

- Promoting a family literacy project which emphasizes parents reading to their children
- Raising awareness of child abuse prevention programs in your community
- Chaperoning a safe and fun weekend activity for the community's teenagers
- Volunteering at a shelter for homeless families
- Assisting the elderly in nursing homes with simple crafts that they can give as gifts to their families
- Creating a park or recreational area where parents can spend time with their children
- Providing materials and support to a daycare facility or orphanage
- Creating an after-school activities program for older children which will give them a safe place to go while their parents are at work.

Rotary Family Around the World - Right Here in District 6460

By Skip Nelson

The Rotary International Family extends around the world and touches us right here in RI District 6460.

Just in time for the RI District 6460 December Newsletter, I received the following email on 1 December from Alan Crouch, Sydney, Australia.

Alan Crouch was a former Rotary exchange student from Australia in 1980. His host club was the Delavan Rotary Club. He sends his thanks to Rotary District 6460 and specifically to the Delavan Club for his experiences as an exchange student.

Dear Mr. Nelson,

I am currently rereading a copy of Rotary District 6460 Newsletter, November 2005, and note that you are the nominated contact person.

On Tuesday last week I had the honour and privilege of attending a breakfast meeting at the Rotary Club

of Delavan. For me it was special as it was the first time I had attended a meeting there since 1984. The time before that was when I regularly attended as the Club's first ever Rotary International Exchange Student back in 1980.

In effect, a 25 year homecoming for me, as I still consider Delavan home, and many of its residents as family.

Whilst I had the opportunity to tell the Club's members thank you on the day (a good many of them have been active members since 1980) I would be most appreciative if you could pass on my thanks to the District 6460, and in particular to the members of Delavan. If you need living proof of the strength of Rotary and its programs, I'm it.

Thank you and regards,

Alan Crouch
Sydney Australia

President's Message on Family Month

Dear fellow Rotarians,

It was Past RI President Jonathan Majiyagbe who emphasized the importance of the family of Rotary by creating the Family of Rotary Task Force, continued the following year by 2004-05 RI President Glenn E. Estess Sr. These two gentlemen also urged clubs and districts to start family of Rotary committees. This year, I have discontinued the task force because I feel it has achieved its mission – clubs and districts all over the world have created family of Rotary committees. For those that have not, it is never too late.

It may be worth giving some thought to the question: Just what is the family of Rotary? Of course, each Rotarian has a personal family. Some

East Peoria Rotary Club

Charter Year
1937
President
2005-2006 -
Mark Burdette

The Rotary Club of East Peoria held its first meeting in early 1937, convened by attorney Noble T. Dowell. The club met in the evening.

Throughout the years the Rotary Club of East Peoria has supported numerous youth activities including the most recent project of providing 331 dictionaries to third grade students in East Peoria and Creve Coeur.

The Rotary Club of East Peoria has been a sponsor of the Sterling Merit Banquet held together with the Peoria Downtown, Peoria North, Peoria Sunrise, and Chillicothe Rotary Clubs. This banquet recognizes the top eight percent of each school's graduating seniors.

The Club's fund raising projects have been primarily for the benefit of the Salvation Army. Over the years, the Rotary Club of East Peoria has raised more than \$10,000 per year, and has been able to donate a total of approximately \$150,000 to the Salvation Army through its activities.

The club supports the Tazewell County Children's Center, which is a day care cen-

ter and reading clinic for disadvantaged children. Pictured are the members who have recently painted the interior of the day care center. Future projects for the Children's Center will include landscaping. The three original incorporators of the Tazewell County Children's Center were Rotary Club of East Peoria members.

A member of the Rotary Club of East Peoria, Ken Reutter, has become a missionary to Brazil, living and working with the disadvantaged natives along the Amazon River. Through the efforts of the Rotary Club of East Peoria, and through matching grants and the help of the Morton Rotary Club, approximately \$10,000 has been raised to install water filter devices in the homes of people in the river communities, where clean water is not otherwise available.

Some of the other activities of the club include participating in fundraising for the American Cancer Society each year, contributing to the Fondulac District Library reading program, sponsoring the East Peoria Community Baseball Team, and involving Youth Rotors, who are the top eighteen graduating seniors from East Peoria Community High School.

The Rotary Club of East Peoria has also helped to promote other community activities, including the purchase of taser guns for the East Peoria Police Department and body heat sensors for the East Peoria Fire Department.

Scott Witzig

The Morton Rotary Club volunteered recently to install windscreens at the McClallen Park soccer complex east of the village. About 15 members spent about an hour and a half on the project with the help of Morton Park District director Gary Watson. The Morton Club will donate \$50,000 over the next five years for improvements to the main field at McClallen Park. The field will be renamed, "Rotary Field" and is the club's local centennial project.

The Morton Club also gave \$750 to Tazewell County Resource Center in August to be used for appliances at a local group home for the disabled.

In addition to cash donations, the club members also gave hundreds of hours in time at the Morton Pumpkin Festival in September. Rotarians volunteered in the three ticket booths on the festival grounds and proudly wore "Rotarians at Work" t-shirts to promote the club.

Awards and Recognitions for Clubs and Rotarians

We know that every club in this District is engaged in some award-winning special projects. Don't you think it is time that you were recognized for your humanitarian work? District Governor Keith wants to recognize this work at our Conference next spring. We need you to take the time to fill out the nomination forms and pass them on to the Governor soon. Our District recognizes excellence in vocational, community and international service projects, as well as club bulletins. Every club should qualify for the Presidential Citation. Those nominations are due by April 1 to the District Governor. All Club Presidents will be receiving a mailing on the many awards that are available to recognize the clubs and individual Rotarians that have gone above and beyond in their service.

Dick L. Williams, Assistant Governor Area 4

Dick L. Williams, Assistant Governor for Area Four, was born in Metropolis, Illinois. He attended the University of Illinois at Urbana-Champaign (UIUC), both as an undergraduate majoring in political science and as a law student. There he met his wife, Jane, who was also a student at UIUC majoring in mathematics. She has since completed her master's degree in mathematics at Bradley University.

Dick and Jane have five children; two of their children, Dick B. Williams and Jane A. Williams, practice law with Dick in East Peoria, where he has been a practicing attorney for thirty-three years.

After graduating from law school, he worked first for the State of Illinois as a counseling deputy for the Insurance Department, and later as an Assistant State's Attorney for Peoria County. He joined Rotary International in East Peoria in 1973. He is a past president of the Rotary Club of East Peoria.

Mission Trip to Belize

District 6460 has a great opportunity this year to make a mission trip to Belize. It is a Medical Mission trip primarily. We will be working at clinics in Crooked Tree Village and St. Margaret Village and at the Belize Prison on Friday if we would like to do that. If you really don't have an interest in the Medical part the Coordinator for this trip, Bill Amason, has a relationship with the warden at the Belize Prison. We could make arrangements to work with some of the inmates. This would primarily be a literacy project. The cost of the trip is \$895 plus airfare. I found tickets with United for \$440 round trip. The dates are February 19-26, 2006. There is a nice fun time planned the last day at Banana Bank Beach. Let District Governor Keith or me know if you have an interest. I have had a contact with the Assistant District Governor of Belize Club and we will not need a visa, but we do need a current passport.

President's Message

(continued from page 1)

of these families are very heavily involved in Rotary service, while others are not. This may be for cultural or local reasons. The decision to support Rotary is really up to the individuals and is not something that Rotary International can force upon anybody.

But the family of Rotary can be more than a single family unit. It can represent many aspects of the organization. The RI Board is part of the family of Rotary International. So is each district as well as each club. Each Group Study Exchange team is part of the family of Rotary. So

are our Rotaractors and Interactors and our Youth Exchange students studying abroad. Our RI training leaders and all our committees and resource groups form various parts of the family of Rotary. Finally, The Rotary Foundation is a large and important part of our family of Rotary.

It is important that we care about the family of Rotary. It helps us in our work and it creates fellowship and friendship – two of the cornerstones on which Rotary International has been built.

Even though the Family of Rotary Task

Force no longer exists, its spirit is very much alive and sound. I urge all those districts and clubs that have not created a family of Rotary committee to start one during the month of December, which is Family Month. By doing so, we honor our commitment to *Service Above Self* and continue to show the world the great leadership of Rotary International.

District Conference

(continued from page 1)

p.m.

The Conference continues on Saturday morning with the President's Breakfast, morning and afternoon sessions, and concluding with the District Conference Banquet (black tie optional) Saturday evening.

Several optional events are planned:

1. **On Thursday, April 27**, there will be a District Golf Outing at the Jacksonville Country Club (See page 6).

2. **On Friday morning, April 28**, a tour of two historic sites in Jacksonville will take place. A tour bus will pick up participants at the Comfort Inn at 9:00 a.m. and return them there at 11:00 a.m.

a. The first stop on the tour will be the Governor Duncan Mansion in Duncan Park. This 3-story, 17-room mansion was built in 1834, for Illinois

Governor Joseph Duncan and his family. It served as the official Governor's Mansion during his term of office, 1834-1838. The mansion has been fully restored and was placed on the National Register of Historic Places in 1971.

b. The second stop will be the David Strawn Art Gallery, built in 1880 for Phebe Gates Strawn, widow of Jacob Strawn. The home was given to the Art Association of Jacksonville in 1915 and houses rotating exhibits of locally and nationally known artists on the main floor. Permanent collections include the Miriam Cowgur Allen Collection of antique and collectible dolls and a collection of Early Mississippian Indian Pottery. The second floor has been renovated and furnished in keeping with the period of the late 1800's.
