

AUGUST 2008

CIRCLE OF SERVICE

Rotary International • District 6460 • Governor Richard Passmore

We are now over one month into the new Rotary Year, and I have completed twenty of my fifty Official Visits, for the most part of the northern half of the district. It is hard to believe that after having been a member of Rotary International for thirty six years, that I am now your governor. I am proof that anyone with the proper motivation can be a district governor. For twenty-eight years I attended our Tuesday noon Rotary meetings without realizing that Rotary had a second word following it: International. Even though I had perfect attendance for the last fifteen of those twenty-eight years, I still didn't "get it."

weekly meeting with people I enjoy. It's not just a chance to "network" with other business people. Rotary is far more than these. Rotary is a powerful organization that has the ability to save lives, to change lives, to make it a better world, saving 4000 children's lives instead of dying like 26,000 other children. Since RIPE D. K. Lee announced that his focus this year would be to Decrease Child Mortality, the number of children under five years of age who die every year from preventable causes has dropped to 26,000 from 30,000! That is making a real difference in the world.

These first thirty days have been very busy visiting three clubs in a single day on more than one occasion. But it has been a most enjoyable opportunity to meet club leaders and to learn about your clubs: what you do in your communities to make them better, how you raise the money to finance these projects, and the different ways you conduct your meetings. Whoever said that no two Rotary clubs are alike hit the nail right on the head! It is truly a joy to meet all of you, and I look forward to meeting the rest of you over the next three months.

The "moment of truth" finally came: I attended the 2000 District Conference, my first Rotary meeting other than a regular weekly Rotary meeting. Macomb Rotarian Dick Hattwick was District Governor. I don't know why I went; DG Dick and I were not close friends at that time, but for some reason I went to District Conference. It so happened that Past RI President Cliff Dochterman was the keynote speaker. PRIP Cliff's topic: "When did YOU become a Rotarian?" It hit me like a ton of bricks: Rotary is not just a

When meeting separately with club leaders either before or after regular meetings, I am often asked what are some of the successful fund raisers held by clubs in our district. I am getting more and better answers to this question as I continue to meet with our district's clubs. There are a lot of answers to this question: Manito-Forest City holds an auction annually of farm equipment and other items that brings in tens of thousands of dollars; Havana has a Sweetest Day rose sale that nets them several thousand dollars; Bushnell has Radio Days where they sell advertising, "rent" a radio station for a day, interview area Rotarians, talk about Rotary, and net several thousand dollars. The list goes on. During our District Conference, May 28-30, 2009 in Macomb at WIU, we are planning a time when clubs can brag about their "pet" projects, telling other district Rotarians how they raise their funds for various projects. There will be one or more nice prizes for the projects judged to be the best. Look for more about this in future District Newsletters.

One final thought for the good of Rotary. Our Rotary Foundation each year provides

US \$100 million for international scholarships, cultural exchanges and humanitarian projects large and small that improve quality of the life for millions of people world wide. You can make a difference in the world, also. When we give money to our Rotary Foundation, we are not just giving money, we are giving hope. You are giving people a chance to have fresh, clean water, sanitation, and the ability to read and write. You give people an opportunity to:

MAKE DREAMS REAL!

Bring a friend to Rotary.

Dick

From the R. I. President

Dear fellow Rotarians,

This year, we have set ourselves an ambitious goal: to Make Dreams Real for the world's children by reducing child mortality. I believe we can achieve this goal, if we focus our efforts and work together.

But I also know that at the end of this year, there will be a great deal left for us to do to bring health and hope to all of the world's children.

If we are to reduce child mortality, in this Rotary year and for many years to come,

we need to have Rotarians to do it. Every project we do in water, health and hunger, and literacy helps create a better world. Every project helps change the world, a little bit at a time.

And every project needs caring

and capable Rotarians.

Each new Rotarian we bring into our clubs helps to Make Dreams Real. That is why, this year, I am asking Rotarians everywhere to meet bold membership goals: first, to increase membership by 10 percent and, second, to create two new clubs per district.

Like the goal of reducing child mortality, these are ambitious goals that we can achieve – if we set our minds to them. If we look for new Rotarians only among our friends and

family, we may not be able to find enough qualified new members. But if we reach out to community leaders who are of a different profession, or a different generation, we will find many potential Rotarians.

It is natural to want to invite people into our clubs who are like ourselves, but that limits the diversity and talent of each club. We must welcome younger members to our clubs, or we will have not only lost an important source of energy and expertise but also failed in our duty to our organization to train the next generation of club presidents,

district governors, and senior RI leaders.

Remember: Membership is the responsibility of each of us. Every one of us has an obligation to keep Rotary strong, active, and growing. If we hope to Make Dreams Real for the world's children in a meaningful and lasting way, we must ensure a new generation of Rotarians to continue our work.

Dong Kurn (D.K.) Lee
President, Rotary International

Rotary News You Need

New 2008 Reporting Requirements:

USA, PUERTO RICO and US VIRGIN ISLANDS ROTARY CLUBS and DISTRICTS AND THE IRS

From Club and District Support - Pan America Department

Rotary International, 1560 Sherman Avenue, Evanston, Illinois 60201 USA
Telephone: (847)-866-3000; Fax: (847)-866-3072

What follows is not tax advice, but general information, which may be useful. Questions regarding any tax matters need to be referred to local counsel, your tax adviser or to the IRS. (<http://www.irs.ustreas.gov> or 1-800-829-1040)

On 13 May 1958, the Internal Revenue Service declared that Rotary International (RI) and its clubs and districts are entitled to exemption from federal income tax under Section 501(c)(4) of the Internal Revenue Code. While Rotary districts and clubs are exempt from paying federal income tax, the law does require Rotary clubs and districts to file an annual information return on IRS Form 990, on or before the 15th day of the 5th month following the close of the annual accounting period (15 November). – Certain organizations, other than private foundations, that do not normally receive more than \$25,000 in gross receipts in each taxable year are not required to file Form 990.

NEW! Starting in 2008, clubs or districts with gross receipts of \$25,000 or less will be required to file Form 990-N, which is an electronic e-Postcard report. This report is required annually starting 15 November 2008. Failure to meet the annual filing requirement for three consecutive years will result in revocation of the tax-exempt status of the club or district in question. To learn more about this requirement, and to obtain the necessary e-Postcard report form, visit the US Treasury website at: www.irs.gov/eo, or call the toll-free number: (877) 829-5500.

Numbers: RI's Group Exemption Number (referred to as "GEN" on Form 990), is 0573, which applies to RI as well as all USA and Puerto Rico clubs and districts. At the same time, every club and district in the US and Puerto Rico is required to have its own Employer Identification Number (EIN). This 9-digit number is essentially a tax ID number, and has nothing to do with whether the club or district has any employees. As RI must report annually the EINs of all districts and clubs in the USA and Puerto Rico, the RI secretariat maintains a list of those EIN tax numbers for reference. New Rotary Clubs, however, must apply directly to the IRS for an EIN number to be assigned to the new Rotary club. Please contact your Club and District Support (CDS) representative at Rotary International headquarters if you have any questions about the EIN number for your club or district.

Tax Deductible Status: Though clubs and districts do not have to pay federal

income tax, donations to clubs and districts are not tax deductible as a charitable contribution. However, such deductible status is possible for a contribution to any club or district charitable fund that has been independently classified by the IRS as qualifying under Section 501(c)(3) of the Internal Revenue Code. Membership dues may be deductible for some Rotarians as a business expense. Please contact the IRS or your tax consultant or attorney for guidance on this issue.

Other Taxes: Clubs or districts may be required to file IRS Form 990-T if they have "unrelated business income." An unrelated trade or business is defined as any trade or business that is regularly carried on, and that is not substantially related to the organization's exempt purpose or function. (IRC Sec. 513)

Federal Social Security and withholding taxes, and local state income taxes may be required from a club or district that has one or more paid employees. Please contact the IRS or your tax consultant or attorney for guidance on this issue.

The laws of individual states vary in regard to state income tax, sales tax, other taxes and special licenses. The 501(c)(4) status applies only to federal income tax and does not necessarily have any bearing on state or local taxes. IRS interpretation of its Code also can vary slightly in different US Treasury districts.
January 2008

Rotary District 6460 Area 8 Highlights

Area 8 is located in the southern part of the district, encompassing parts of Jersey, Macoupin, & Madison Counties. The five clubs in the area for 2008-2009 are Alton-Godfrey, Benld, Bethalto, Carlinville and Jerseyville. Kris Rosentreter of Carlinville is currently serving the area as assistant governor.

ALTON-GODFREY

Chartered 03/01/1921

08-09 President – Scott Neudecker

Meets on Mondays at 6:00 p.m. at the Moonlight Restaurant in Alton.

Website: www.altongodfreyrotary.org

The Alton-Godfrey has a long history of service to the River Bend area. A sample of its projects include preserving the legendary image of the Piasa Bird on an aluminum sheet (picture attached)

which was later donated to Southwestern High School near Piasa, IL. The club was instrumental in the placement of a statue honoring Alton's beloved Gentleman Giant Robert Wadlow (picture attached)

and the erection of the statues on the site of the 1857 Lincoln-Douglas Debate. The club is well known in the area for its Student of the Month program and its Bucket Brigade project.

BENLD

Chartered 02/28/1938

08-09 President – Jean Strausbaugh

Meets on Tuesday at noon at Toni's in Benld.

Located in southern Macoupin County, the Benld club has members from throughout the Coal Country area. The members use the funds raised by their Annual Citrus Sale to sponsor the Community Christmas movie, donate new furniture to the new elementary school, hold an Easter Egg Hunt, and support RI projects, along with a number of other service projects. Members assist with a number of area events such as the Benld Italian-American Days and Gillespies' Black Diamond Days. The club has had several members with impressive records of membership tenure and perfect attendance.

BETHALTO

Chartered 01/30/1942

08-09 President – Bob Lowrance

Meets on Wednesday at noon at the Bethalto Village Hall

Website: www.clubrunner.ca/Bethalto

Known as the "Can-Do" club in the community, the Rotary Club of Bethalto has developed a reputation as one of the premier

service clubs in the area. When the village wanted to improve the appearance of a former sewage plant, it contacted Rotary. The club converted the former eyesore at a busy intersection into a beautiful park complete with landscaping, walking paths and a huge inset Rotary wheel. They host an annual Cabin Fever party in January as a fundraiser. They helped fund a new skate park for the community and the restoration of a log cabin. They display their fun side while riding their "Charlie Horse" in local parades.

CARLINVILLE

Chartered 03/09/1925

08-09 President – Dennis Pickrel

Meets on Thursdays at noon at The Glades in Carlinville

The Rotary Club in Carlinville is best known in town as the sponsor of the annual Halloween Parade. A tradition stretching back over 50 years, the parade

features floats from businesses, high school and college groups, and other community groups for the enjoyment of the crowds packing each side of North Broad. The club also holds an annual Ice Cream Social at the park surrounding the gazebo in the town square (picture enclosed) in conjunction with a performance by the Municipal Band. One of the members' favorite activities is the Student Honors Lunch each spring when they invite 10 exemplary graduates from Carlinville High School and Blackburn College to be recognized for their achievements.

JERSEYVILLE

Chartered 04/17/1953

08-09 President – Jeff Heitzig

Meets on Mondays at noon at Peace United Church in Jerseyville

From the CharacterPlus banners lining Jerseyville's main north-south thoroughfare to Rotary Park on the primary east-west street to their posting of American flags throughout the community on patriotic holidays, it is hard to miss Rotary's involvement in the community. But the club does much more than present a good face to Jersey County: the club sponsors an annual CharacterPlus essay contest in the school district, donates dictionaries to local fifth graders, sponsors an annual National Honor Society Banquet, and recognizes students of the month. The Annual Chili Supper helps the club support Rotary Youth Exchange, PolioPlus and their joint project with a club from the Phillipines to fund an orphanage.

Trees Planted at 10th Habitat Home in McDonough County

Rotarians find creative way to provide landscaping.

Two families, lots of memories. Two trees have been planted at the 10th McDonough County Habitat for Humanity home, built with Bill and Jennifer Petty and their family. One tree was purchased by Don and Kay Norton in memory of Robert and Vida Simonds, formerly of Jacksonville, and another was supplied by Macomb Beautiful and the City of Macomb. That tree will serve as a memorial for members of the Petty's family. Pictured from left

are: Nancy (Simonds) Wolski, Bill Petty, Jennifer Petty, Robin (Simonds) Musch, and Whitney Musch. The Nortons, pictured with Macomb City Forester Tim Howe, are members of the Macomb Centennial Morning Rotary Club, which is helping to landscape the home.

It began as a desire to honor the memory of their friend's parents with a lasting, living tribute. But a local couple didn't realize how many Macomb community organizations would team up to create some beautiful landscaping for a Macomb family.

About a year ago, Kay and Don Norton received a phone call letting them know that Robert Simonds, of Jacksonville, had passed away. Simonds was the father of Kay's high school friend, Nancy (Simonds) Wolski, who now lives in California. Bob's wife, Vida, Nancy's mom, passed away a few years ago. "We're still very close to Nancy and her family, and we wanted to do something meaningful to honor Mr. and Mrs. Simonds' memory. Rather than sending flowers, we thought about planting a tree."

The Nortons are both members of the Macomb Centennial Morning Rotary Club, and several members of that group, including Bill Poncin and John Gage, have been serving as the liaisons between the Rotarians and the local chapter of Habitat for Humanity. "Our Rotary club has been active in helping to landscape Habitat homes," said Kay, "and had committed to working on the landscaping for the newest McDonough County home on East Wheeler, built with Bill and Jennifer Petty and their family. Since Mr. Simonds had been a professional construction contractor during his career, we thought perhaps we could plant a tree at a Habitat house in Mr. and Mrs. Simonds' memory."

But nothing happened right away since the house was under construction, and then the ground had to be warm enough for planting. Finally this spring, it was time to plant.

Poncin contacted Tim Howe, Macomb City Forester and a volunteer with Habitat, to suggest the idea. Howe told Poncin about a Macomb Beautiful program, which, in conjunction with the City of Macomb, provides funds for tree planting. "The Habitat house on East Wheeler was perfect to receive two trees," said Howe, "one on each side of the sidewalk."

And timing was everything. Nancy Wolski visited Macomb recently to attend the Western Illinois University commencement of her niece, Whitney Musch, daughter of Nancy's sister, Robin Musch, of Jacksonville. "It was a perfect time to plant the trees, let the Simonds help turn the dirt, and introduce two families who now have a very special connection," said Norton. The Simonds' other children are Susan Simonds, of Galesburg, Rodney Simonds, of Jacksonville, and Bob Simonds, of New Berlin.

The tree donated in memory of Bob and Vida Simonds is on the west side of the sidewalk, and the other tree, paid for with funds from Macomb Beautiful and the City of Macomb, was planted on the east. This tree, said Mrs. Petty, is dedicated to several of their family members who recently passed away.

"If it hadn't been for our Rotary Club's involvement in this Habitat project, we wouldn't have thought about this option," said Kay. "Through Macomb Beautiful, Tim Howe and the city, there is also a second tree. Because of all these organizations, we ended up with a great pooling of efforts to leave a lasting legacy for friends, and also help in the greening of Macomb."

**Calendar for Rotary District 6460
Richard Passmore, Governor, 2008-2009
Larry Thompson, Governor, 2009-2010**

August/September/October, Foundation, Membership, and Youth Seminars, By Region

March 12-14, LOLPETS, Westin Yorktown, Lombard, IL

September 9-11, GETS, GNTS, Train the Trainer, Indianapolis, IN

CLUBS WITH
BEST PROJECTS!**

ILLINOIS ROTARY LICENSE PLATE APPLICATION INFORMATION

The Governor of Illinois signed HB133 8/26/07. It is VERY important that we all [Rotarians & friends] send a request to the Secretary of State Jesse White stating that you would like to receive a "ROTARY" license plate application. You are not ordering a plate at this time; ONLY after you receive an application form from the State are you placing an order.

This has taken many years, to move through the House and Senate and to the Governor's desk for signing. The creating and manufacturing of the plate will not begin until the Secretary of State has orders for 850 Rotary plates. It is now in our [Rotarians'] hands to make it happen and get the ROTARY license plate on the road. Remember you do not have to be a Rotarian to send in a request.

There will be a \$25.00 surcharge over your normal plate fee.

The first year:

\$ 15.00 goes to the State for the "new" plate

\$ 10.00 goes to the Rotary Foundation

Thereafter when the plate registration is renewed:

\$ 2.00 goes to the State for a new sticker

\$ 23.00 goes to the Rotary Foundation

This is what we have been looking forward to for years.

Please fill out the attached request form and send it off as soon as possible. The Secretary of State will collect the requests and when the total reaches 850, WE WIN!

Art Davis, District Governor D6450 [rotaryart@sbcglobal.net]

Illinois Rotary License Plate Request

Rotary Leadership Institute

Providing Rotarians with skills to be Leaders in their Clubs and Beyond.

With few notable exceptions each July Rotary leadership undergoes a change in leadership from the Rotary President to the Club President. Maintaining that supply of leaders for Rotary is one of the more daunting tasks at every level of Rotary. This is often felt most keenly within the clubs but is also experienced at the District and at every level of Rotary. Where do we keep getting those great leaders?

Well, Rotarians are already leaders in their professions and businesses! However, most Rotarians are leaders in entrepreneurial enterprises which are usually arranged in a hierarchical design. In other words, there is often an employer-employee relationship between the top layers of most businesses and those who carry out the tasks of the business. The CEO of General Motors does not assemble cars...at least not by time he/she is the CEO. The CEO of a hospital does not usually work a night-shift as a nurse. Those tasks are handled by other employees at the direction of the managers of the organization.

Yet the CEOs and other managers of these organizations when serving as President of the local Rotary Club have the task of directing the activity of other club members who are also CEOs, managers, and other professionals. All of this is without the explicit authority of an employer-employee relationship. These are our peers.

This is only one of the tasks facing those who would be leaders in Rotary at whatever level you choose. How does one prepare for this task? For many this has been one of the more challenging and frustrating parts of being a Rotary Leader. There really is a difference between the leadership skills of business and the leadership skills in a voluntary organization. Some are naturally suited to this task but many find it is a new skill to acquire.

The Rotary Leadership Institute provides a unique educational experience in a sequence of three one day

seminars designed to help Rotary Clubs nurture and promote future leaders within their clubs and beyond. The unique leadership skill in dealing with peers who are also leaders is one of the many subjects covered by the Rotary Leadership Institute. Learning is accomplished by individual, group, and small group experiences lead by trained facilitators who are knowledgeable about Rotary. When we identify someone who, in the future, may become a Rotary leader we can begin their cultivation and education even before they become involved in leadership. Ideally, attendance at RLI would precede District Academies, local Institutes or District Leadership Seminars. Then those who are chosen to become club president would attend PETS and District Assembly which provide specific job related education. In this way we are able to better ensure the success of that future Rotary leader and of our club. We would encourage every club to send at least two Rotarians each year to all three parts of The Rotary Leadership Institute. It is always useful to consider going to an Institute in another District since that will broaden a Rotarian's circle of contacts and bring fresh ideas back gained from the others who attend the Institute. Participants are charged at the rate of \$85 per session but each club is strongly encouraged to pay the tuition fee.

For further information contact PDG Chuck Farrar at: HOA-RLI, 311 E. Main St. Suite 517, Galesburg, IL 61401 or call (309)368-0805. Your Assistant Governor is also a good source of information about upcoming events both in our district as well as about what is happening in neighboring districts.

Currently scheduled Institutes are:

Lexington, KY (District 6710) –Sep 20

Peoria, IL (District 6460) – Oct 11

Indianapolis, IN (District 6560) – TBA

Paducah, KY (District 6710) – TBA

Troy, AL (District 6880) – TBA

Decatur, IL (District 6490) - Jan 10
