## A Note From District Governor Tony Williams

Hello, Rotarians in District 6460!

An aggressive club visit schedule seemed daunting at first but at this point in July and August the forty-five visits have been so interesting it is hard to imagine there are only five visits left. I have visited most of the clubs in our district before, as district trainer, but this round of club visits was truly different as I got to meet with each of the boards and talk about what they have been doing in their clubs, what goals they have, and how the Assistant Governors and I can help them achieve their goals. Speaking of Assistant Governors, I could not have asked for a more supportive, knowledgeable, and enthusiastic group. I am so grateful for their service and their encouragement for the clubs and myself. There is one thing I have learned so far in this amazing year: District 6460 is enthusiastic about service, and no matter the size of the club, they are all excited about how they can be used to help their communities and the world!

There have been so many highlights of my trip around the district. I hate to list them for fear of leaving something out. During the days when I planned two or three clubs in the same day, I was often treated to site-seeing in several towns. The history of those towns was interesting but the love for the community in which Rotarians live is even more thrilling as I listen to them telling me about their landmarks and the projects accomplished by the clubs. I set out thinking I needed to avoid eating too much at the meetings so I wouldn't have to pay for it later, but the food is one of the parts of my visits I will remember most! Wow, it is so hard to think of any meal that was the best because each one seemed to be better than the last! Good thing I have time to work out and undo those meals. I was blown away several times by the gifts I received and am so grateful to have memories of your clubs and communities. However, the best gift was the warm welcome I got from every club and the joy of seeing how unique each club is. I was surprised several times: Pittsfield presented me with envelopes full of checks

totaling over \$4,000 for Foundation, Jacksonville sang a song they made up about me, inducting new members was great, and I got to present so many Paul Harris Fellowships. But the one thing I have enjoyed the most is taking selfies of each club holding up their fingers to show how close we are to ending Polio. Friends, we really are this close and I am so honored to be able to lead this district in a year we could actually see the world protected from a disease that has touched so many lives.

Being District Governor doesn't just mean visiting and presenting at clubs. I was invited by the Edwardsville Rotary Club to participate in the Edwardsville Criterion Festival in which the main event were bicycle races that lasted all day. There were bands, food booths, and activities all day. I was allowed to help present medals to the winners of the races and was astonished at the way President Rich Walker's club coordinated the day with other community organizations and Rotary clubs in bringing their town together for a memorable day. Money raised that day goes into projects to help the city of Edwardsville. Another fun-filled day was spent in Bushnell at their Fall Festival. I was invited to speak on the radio about Rotary and explain how Rotary helps locally and internationally. The car show was interesting, and, of course, President Sirina Wardell made sure I tasted the food, especially the ribeye sandwiches.

I want to remind you all about several opportunities you have I think you will appreciate and will enrich your Rotary experience. First, please, if you are on Facebook, search for the District 6460 group page and request to join. If you have friends who haven't joined yet, you can add them so they can enjoy the news of what is going on in our district. Second, and coming up quickly, is the District Conference. October 21-22 will be an outstanding time for our district. You will not regret attending this fellowship of Rotarians and learning about projects in the district. I promise great speakers to inspire you. The food is going to be fantastic! The band on Friday night will blow you away! The 2 day registration fee is only \$55 – lowest in years! Register for hotel rooms at a special rate of only \$110 (only good by Oct 6) by asking for the Rotary block at:

President Abraham Lincoln Springfield a DoubleTree by Hilton  
701 East Adams  
Springfield, IL 62701  
+1 (866) 788-1860

Across from the conference location at:  
Prairie Capitol Convention Center  
# 1 Convention Center Plaza  
Springfield, IL 62701

Attention: Special Announcement! 10 for 10: Every club that has 10% of their club register (excluding district leadership) for the full district conference \$55.00 two days will have their club name put into a drawing to win \$10,000 for a club service project. Imagine how \$10,000 will help your community or add to a project you already have! This is a conference you will not want to miss!

I also want to encourage you to register for the International Conference to be held in Atlanta to celebrate with tens of thousands of Rotarians from all over the world the 100th anniversary of Rotary Foundation. Listen to what Rotary is doing around the world and in your backyard. Taste the Southern Comfort Food offered at the conference and in the city. Register quickly before the hotel rooms are hard to find and I promise a conference you won't forget. Register at <http://www.riconvention.org/en/atlanta/register> and see how your foundation dollars have affected the world for 100 years. Consider making a Rotary Foundation gift in honor of this anniversary of at least \$26.50, the amount of the first foundation donation, of course if you would like to move that decimal point to the right as many times as you can, that would be appreciated too! Some say "Give until it hurts!" but I can tell you from personal experience, "Give until it feels good!" You can also enroll in electronic deductions of any amount you choose to be taken out monthly or weekly amounts. If you choose to have electronic donations of only \$84 a month,

at the end of the year, you will have earned a Paul Harris Fellowship for yourself or to give to a deserving community member. Please consider giving to Polio Now – we really are “This Close” and you can help in this year of Rotary Serving Humanity.
