An important goal of Rotary Youth Exchange is to expose participating Clubs to a variety of countries and cultures. Clubs may express preferences in this form, or later to the Inbound Coordinator if there is a host family preference. Best efforts will be made to match these preferences during the placement process, however gender or country cannot be guaranteed. Please remember that Students assigned to our District must be placed with a Club in our District. Therefore, prior to student assignments, please try to identify host families (2-3 required) without gender preferences, or a back-up family if a family requests a specific gender.

Please list any special considerations for an Inbound Student for your Club:

NOTE: Committed Clubs must submit their Guarantee Form within 30 days of student assignment, with first host family, club and school guarantee. IF this Club fails to accept their student for any reason, then the student must be offered as a Rescue to another club within District 6460 or another CSRYE District. The Committed Club will be responsible for all FEES and EXPENSES listed above (\$4,000), even if they cannot accept the student and the student must be placed with another club.
