

Meet the world at your kitchen table

Host an Exchange Student . . . *Change your life*

Rotary Youth Exchange is a volunteer program, furthering Rotary International's promotion of world peace and understanding.

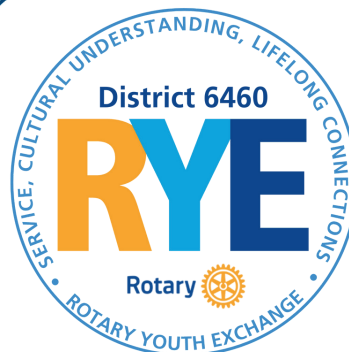

HOST FAMILIES

- Host an international student for 3-6 months.
- Integrate them into your family life and experience a new culture.
- See the joy on their face as they learn a new language and experience new things.
- There is no requirement to have children in the home, or to be a member of Rotary.
- The student needs their own bed, three meals a day, and a loving family.
- An application, background check, and home visits are required.
- Support is provided by the local Rotary Club and Youth Exchange volunteers.
