

1st Night Questions and 2nd Day Questions

The NAYEN L&D Committee has created a **new version** of the **First Night Questions and Second Day Questions**, which are available in English and Spanish on the following Google Drive folder: https://drive.google.com/drive/folders/1MB9JshGJPMX8XFraRZjeyZM6PU600a57?usp=drive_link

Use Google Translate to create other language versions

The files are in MS Word, so you can share them with students, modify them in case you want something specific for your district, or if you want to translate them, you can use [Google Translate](#) to translate whole documents now.
